YOU ARE WHAT YOU EAT

Most 21st century citizens can quote a raft of nutritional facts: which vitamins are good for skin or bones, which herbal supplements delay the aging process, etc. The media bombards us daily with food conscious advertising, encouraging us to take control of our diet, weight and health simultaneously pelting us with fast food commercials. Watch what you eat is today's mantra, whether it's chicken nuggets or slim-fast.

Strangely enough, God has the same message for us. We are what we eat. Earthly food and nutrition only fuels the body on its road to eventual death. Too often we preen our bodies, while our starving spirits lay neglected. Today's gospel calls us to consider anew our spiritual diet. Have we eaten at His table? Do we regularly taste His flesh and blood, or merely stuff ourselves with mortal bread? God tells us that true spiritual food is given freely at His table. Come and eat today He says, and become what you eat. "Whoever eats my flesh and drinks my blood remains in me and I in him." Can any earthly diet offer so much?

FEAST OF THE SACRED HEART OF JESUS

Friday, July 1, 2011

Hymn to the Sacred Heart

O Sacred Heart that bleeds for me
Pierce every heart with love for Thee.
Refresh our thirst from high above
With nectar sweet and heavenly.
The host of love divine art Thou,
Salvation for all mortals here,
The way of grace lies open now,
For all redemption is brought near.
Draw nigh, all peoples, hasten near,
And in God's gentle heart confide.
He loves each one with love so dear,
It burns like flames spread far and wide.

FEAST OF THE IMMACULATE HEART OF MARY

Saturday, July 2, 2011

Prayer to the Immaculate Heart

O Immaculate Heart of Mary, full of goodness, show your love towards us. Let the flame of your heart, Mary, descend on all **people. We love you immensely. Impress true love in our hearts so that we have a continuous desire for you. O Mary, gentle and humble of heart, remember us** when we are in sin. You know that all people sin. Give us, by means of your Immaculate Heart, spiritual health. Let us always see the goodness of your motherly heart and may we be converted by means of the flame of your heart. Amen.
